Offers a Central Campus Location for

Webinar on Federal Research Priorities and Budgets for FY12

Monday-Wednesday, October 31-November 2

Do you wish you knew where federal agencies are headed and how to align your funding requests to their priorities and direction? Join us for this webinar and hear directly from personnel at the National Institutes of Health, National Science Foundation, National Endowment for the Humanities, Office of Naval Research, Army Medical and Materiel Command, National Aeronautics and Space Administration, and the Departments of Agriculture, Education and Energy as they share agency direction and funding priorities for the coming year.

Agenda

Monday, October 31, 2011, 10 a.m. - 4 p.m. Central time

- 10:00 a.m. Kei Koizumi, Assistant Director for Federal R&D, White House Office of Science and Technology Policy, on the President's priorities and budget requests for research (confirmed)
